Friday release

Where we are

412
beta workspaces

9,800
workflows run a day

97.6%
runs on schedule

Beta opened six weeks ago. Every number above is from the beta workspaces.

What ships on Friday

1. **Chained steps** — run one step after another, with retries
2. **Schedules** — hourly, daily, or a cron line
3. **Run history** — every run, its input and its output
4. **Alerts** — Slack or email when a run fails

Runs a day in beta, in hundreds

From 1,800 to 9,800 runs a day in six weeks.

What it costs

PLAN	RUNS A MONTH	PRICE
